

LOST

Please Help!

Daughter lost her favorite orange Jellycat rabbit. It has the letter R hand-embroidered on its chest. It looks quite worn as it is well-loved. We got an Overground / Windrush line train from Sydenham to Highbury and Islington on Saturday 17 Jan at around 10:15. We then got a Victoria Line train from Highbury to Finsbury Park. We think it was lost on the Overground train but it's possible it was lost on the Victoria Line. It has huge sentimental value.
