Gromit, soft toy, (wallace and gromit)wearing a childs white poppy charity wristband around his neck. Has some loose cotton hanging from his hands. He's shaped like hes standing not on 4 legs. He's a bit threadbare we call him loved! We had attended Emirates stadium for boyzone concert, walked to Arsenal tube kiosk (right next to tube station) to get a drink.. went along Elizabeth line onto tube to southgate where daughter noticed she didnt have him.
