LOST: Big Bear □□ Large, well-loved brown teddy bear lost 15 August while travelling Porto → Vigo → Santiago de Compostela. Last definitely seen with us at Porto Campanhã, beside our pink suitcase. We then travelled by FlixBus Porto → Vigo, followed by Vigo → Santiago. He may have been left in Porto or travelled in the luggage compartment to Vigo. He belongs to my 9-year-old son and is hugely important to him. Please contact me if found or if you have any information. ❤
