

# LOST

## Please Help!

?MISSING CAT, CHISLEHURST BR7?Chipped, neutered and reported missing since 2 May. No collar. Roger is a bengal cross cat, grey and cream, 3 years old - looks like a slightly fluffy, fancy tabby! He went missing Thurs 2 May from Willow Vale in Chislehurst. He is new to the area and kept indoors so far, so will be very lost. Home is right next to the rec and golf course, so he could have gone quite far in either direction! He is usually very vocal but will be very lost and scared.
