

LOST

Please Help!

The last time Teddy was seen was at a bus stop in front of a circus like park (I believe it is obsolete) we had caught the bus to the wrong address. We were waiting for a bolt taxi, the driver has said the Teddy was not found so I believe it may have been dropped in this area. My daughter is distraught and I have not been able to find the same replica Teddy to try and console her. It is a jelly cat squishu bear. Hoping he is out there waiting to be found! Happy to pay a reward for returning.
