

LOST

Please Help!

It is a black backpack inside it has a green purse with my documents credit cards and an expired residence card from here in the UK it has a very important key inside it also has my daughter's cell phone a Samsung A20, it also has my daughter's sweater from her school, makeup, water bills and a virgin media document. That's all I remember it has, it also has purchase invoices among other things I don't remember.
