

# LOST

## Please Help!

Joules, minx Navy blue Gilet, (s14). Only worn a few times. A very precious piece of clothing. Lost just inside the store hanging ,on a jumper hanger rack, while trying on another jumper, forgot to pick it up, while going to do the exchange, on other the items. left store relized within minutes, returned to Primark Store, spoke to several members of staff and a staff manager, one. Went to Police Station reported it stolen or missing. Back to store another member of staff walked around the store
