

LOST

Please Help!

I lost a white ortlieb bicycle bag, with my lunch boxes & bottles and computer cable. I cycled from Manor Road through Clissold Park to Highbury Grove School. I walked into the school already without it, so needed to loose it somewhere between. It either came off the bike (as I didn't attach it securely) or left it on the bike and someone took it off (that would be in front of the school).
